

International Conference on Basic Science, Chemical and Microbiology (BSCM)

Conference Date: January 24-25, 2026

Online Submission

<https://isrchapter.org/online-submission>

Conference Website

<https://www.isrchapter.org/conferences>

Email Id- isr.chapter@gmail.com

****Important Dates****

Abstract Submission Open: January 17, 2026

Conference Dates: January 24-25, 2026

Notification of Acceptance: Within 7 days of submission

Abstracts for the oral /poster presentation are invited on following themes but not limited to:

- Basic Science, Chemical and Microbiology
- Scientists and Inventors
- Biochemistry and Molecular Biology
- Environmental Chemistry , Chemistry
- Computational Chemistry , Astronomy
- Biotechnology and Industrial Applications
- Medicinal Chemistry , Geography
- Chemical Engineering , Archaeology
- Organic Chemistry , Earth Science
- Analytical Chemistry , Electricity
- Food Production and Safety , Animals
- Microbial Ecology , Food Microbiology
- Nanotechnology and Nanochemistry
- General Microbiology , Biology
- Environmental Impact , Engineering
- Inorganic Chemistry , Physical Change
- Physical Chemistry , Natural Things
- Health and Disease , Chemical Change
- Temporary Change , Science Vocabulary
- Clinical Microbiology , Green Chemistry
- All the topic related to Basic Science, Chemical and Microbiology**
