

# International Conference on Endocrinology, Diabetes, Obesity and Metabolism (ICEDOM-2024)

Conference Date: **September 21-22, 2024**

Online Submission

<https://isrchapter.org/online-submission>

Conference Website

<https://www.isrchapter.org/conferences>

Email Id- [isr.chapter@gmail.com](mailto:isr.chapter@gmail.com)

**\*\*Important Dates\*\***

Abstract Submission Open: September 15, 2024

Conference Dates: September 21-22, 2024

Notification of Acceptance: Within 7 days of submission

International  
Society for Research

**Abstracts for the oral /poster presentation are invited on following  
themes but not limited to:**

- |  |  |
|--|--|
| <input type="checkbox"/> Endocrinology, Diabetes, Obesity and Metabolism | <input type="checkbox"/> Intensive insulin management  |
| <input type="checkbox"/> Endocrinology, Thyroid                          | <input type="checkbox"/> Insulin pump therapy, Glycogen  |
| <input type="checkbox"/> Adrenal carcinoma                               | <input type="checkbox"/> Obesity and overweight, Metabolism  |
| <input type="checkbox"/> Adrenal gland, Obesity                          | <input type="checkbox"/> Healthy diet, Malnutrition  |
| <input type="checkbox"/> Endocrine conditions                            | <input type="checkbox"/> Noncommunicable diseases  |
| <input type="checkbox"/> Endocrine system                                | <input type="checkbox"/> Sodium reduction, Amino acids   |
| <input type="checkbox"/> Hypoglycemia, Diabetes                          | <input type="checkbox"/> Carbohydrate metabolism   |
| <input type="checkbox"/> Diabetes and glucose metabolism                 | <input type="checkbox"/> Regulation of glycolysis, Trans fat   |
| <input type="checkbox"/> Self-monitoring blood glucose                   | <input type="checkbox"/> Glycolysis and pyruvate oxidation   |
| <input type="checkbox"/> Managing high and low blood sugars              | <input type="checkbox"/> <b>All the topic related to Endocrinology,<br/>Diabetes, Obesity and Metabolism</b> |
